

woman of Jacksonville, Fla., daughter of Recorder of Deeds, West, who witnessed her signature to the following letter, praises Lydia E. Pinkham's Vegetable Compound.

"Dear Mrs. Pinkham: — There are but few wives and mothers who have not at times endured agonies and such pain as only women know. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any I ever knew and thoroughly reliable.

"I have seen cases where women doctored for years without permanent benefit, who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and incurable came out cured, happy, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and appetite, and tones up the entire system. Your medicine has been tried and found true, hence I fully endorse it."—Mes. R. A. Anderson, 225 Washington St., Jacksonville, Fla.

Mrs. Reed, 2425 E. Cumberland St., Philadelphia, Pa., says:

"Dear Mrs. Pinkham:—I feel it my duty to write and tell you the good I have received from Lydia E. Pinkham's Vegetable Com-

pound.

"I have been a great sufferer with female trouble, trying different doctors and medicines with no benefit. Two years ago I went under an operation, and it left me in a very weak condition. I had stomach trouble, backache, headache, palpitation of the heart, and was very nervous; in fact, I ached all over. I find yours is the only medicine that reaches such troubles, and would cheerfully recommend Lydia E. Pinkbam's Vegetable Compound to all suffering women."

When women are roubled with irregular or painful menstruation, weakse, lemorrhon, displacement or ulceration of the womb, that bearing-down
eding, inflammation of the ovaries, backache, flatulence, general debility
digestion, and nervous prostration, they should remember there is one tried
at true remedy. Lydia E. Pinkham's Vegetable Compound at once

The experience and testimony of some of the most noted women of America go to prove, beyond a question, that Lydia E. Pinkham's Vegetable Compound will correct all such trouble at once by removing the cause and restoring the organs to a healthy and normal condition. If in doubt, write Mrs. Pinkham at Lynn, Mass, as thousands do. Her advice is free and helpful.

No other medicine for women in the world has received such wide spread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any substitute.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.

AMENDMENT PROPOSED.

Next Referendum Vote Taken in Oregon Will Be on an Amendment Empowering the People to Recall Dishonest Officials Without Long Trials for Impeachment-As it is Can Serve Out His Term While Proceedings for His Removal Are Dragging Along.

The direct primary nominating amendment and the local option amendment to the Oregon constitu-tion have been secured through the appeal of the people to the referen-dum law now in force.

The next vote to be taken by the people of Oregon, it is thought, will be on an amendment to the constitution, empowering the people to re-call, without process of a court trial or impeachment, any public official in city, district, county or state office, who may be found guilty of violating

pledges, or dishonesty in office.

This amendment is even more emphatically demanded than either of the two amendments now in force, and a movement will be started early enough to have the matter properly before the people, in time to vote upon it at the June election in 1906.

As it is now, an official once elect-ed to office, must serve until his successor is duly elected and quali-fied, and the people have no recourse in the case of dishonesty, unless the dishonesty amounts to open bribery er other form of public crime, and then the process of recalling the of-ficial is tedious and complicated, and ie may take refuge behind court deons, and appeals to higher courts until he finally serves out his term in impunity, while proceedings for his removal are dragging along.

The proposition in the new amendment is to give a certain per cent of the legal voters of any subdivision power to ask that public efficials found guilty of any kind of crooked-ness, be summarily removed, an election called and a successor elected at

This, it is hoped will have the effect of cleansing public service to the highest possible degree, and it is hoped by the prime movers of the amendment to have it so complete and practical that there will be no delay or hitch in the recall of offi-cials who prove unworthy of the trust imposed in them.

MORMON WOMEN ANGRY.

squadron by Captain R. B. Bradford, recently in command of the battle-ship Illinois. Were Not Consulted by Men Who Named the Tickets This Year.

Salt Lake, Nov. 8 .- To the women of Utah politics is a game, a dissipa-tion, an amusement—but never a busness, as to their sisters of Colorado. Wyoming and Idaho.
After having been granted a voice

in the affairs of the nation, the wom-en of Utah became so self-satisfied that they decided they would simply do their part on election day, and keep out of the political campaigns.

This lofty view of woman and the ballot worked fairly well until recent-ly. Women virtually rule the state of Utah, casting almost 80 per cent of the total vote. They quietly informed their servants—the men in office—as to their wishes, and the same were speedily carried out.

This year came an awakening—an awful shock to the women of Utah, regardless of party. The menregardless of party. The men—who had obeyed so willingly—turned them down. They were not consulted on the personnel of the tickets put in the field—an unpardonable oversight.

Owing to the dissatisfaction of the women and the generally muddled growlling of politics in Ulah, the state

women and the generally muddled condition of politics in Utah, the state will be in the doubtful column until the vote is counted. A feature of the campaign is the new American party recently formed to fight the Mormon church. The new party was organized ex-United States S. Kearns, a multi-millionaire, who was defeated in the republican state convention for renomination. Kearns owns the Salt Lake Tribune, formerly the republican organ, and he has started a bitter fight through its columns against the Mormon church, claiming undue influence in affairs of

All the women in the American party, naturally, are gentiles, and un-der the leadership of Mrs. C. J. Crabtree, chairman of the woman's auxillary to the American party.
